

Bullets

MFS produces not only cartridge cases of the most commonly used calibers for defense and law enforcement organizations (5.56mm, 7.62mm and 9mm) but also a large variety of pistol and revolver cases.

Application:

Excellent choice for loading/reloading ammunition for private persons and shooting clubs. Please contact our resellers or directly us: info@mfsdefense.com if you are interested in our high quality reloadable cases.

All components are produced to perform seamlessly together for perfect functioning in all common types of weapons.

Performance:

Term of reference

Temperature range

Mean case mouth pressure (bar)

Muzzle velocity (m/s)

Muzzle energy (J)
